

2010 FUNDRAISING PURCHASE APPLICATION

Supporting organizations such as yours is the key to the continued success of archery and bowhunting in America. BowTech would like to help you reach your goals. Due to the sheer number of requests that we receive on a daily basis, we have developed a fundraising purchase approval process. Donation requests will be accepted via internet/mail only, no phone calls. This program is specifically designed to give your organization the opportunity to purchase our products at a substantial discount for the purpose of raising funds through methods such as auctions and raffles. Products may not be offered for resale or sold on the Internet.

Bows that are available for \$475 each include the BowTech Commander and the Diamond Black Ice. Also available, the Diamond Razor Edge youth bow for \$175 with package. All bows are shipped at a standard 29" draw. Limited to one (1) bow per year. Bows will be shipped UPS Ground at a rate of \$10. Current year bow models are not available for purchase in the fundraising purchase program until April each year unless otherwise noted.

Please fill out the Fundraising Purchase Program form below and submit to the marketing department for review at the address below or email to marketing@bowtecharchery.com. In addition to the form below, please send a letter (printed on your organization letterhead) stating date of event, the purpose of the event, and who benefits from the proceeds, or a printed flier for your event. Your request will be reviewed and if approved, we will pair you with a local Authorized BowTech Dealer as a point of shipment and product support. We will contact you within three business days after we receive all information submitted. Note: Please allow a minimum of two weeks to process and ship. We wish you success with your fundraising efforts.
